

Since its inception in 1986, Mosdos Veretzky has set its mission to build a contemporary educational infrastructure geared to children and young adults growing up in today's world. The Veretzky chinuch model employs pedagogic excellence, cutting-edge teaching methods and state-of-the-art resources to provide the generations of tomorrow with the classic, time-honored education, values and principles of yesteryear.

Today, three decades since its founding, Mosdos Veretzky is a renowned educational conglomerate comprised of a Preschool, Elementary and High School division, with satellite institutions in Lakewood and Marine Park, as well as two summer programs.
